Declaration of Compliance to TCZ Code of Conduct

Implementation of Code of Conduct

1. Suppliers are required to adhere to the CoC and are expected to self-monitor and demonstrate their compliance with this Code.

2. By adopting this CoC, the suppliers undertake to abide by and implement all the principles to their best knowledge and efforts.

3. TCZ reserves the right to carry out due diligence, audit and inspection of its suppliers, who must cooperate in the process. Such suppliers are also urged to conduct similar due diligence of their suppliers, contractors and affiliates to enable compliance throughout their supply chain.

4. Any noncompliance by the supplier will constitute a breach of its contractual obligations. In the event of any breach of CoC, TCZ reserves the right to take appropriate action including termination of existing contractual relationship and/or removal/suspension of any supplier who is in breach or violates any provisions of this CoC. In the event of the above, TCZ shall not be liable for cost, expenses or damages of any kind as a result of exercising its right as mentioned herein above. Supplier will indemnify TCZ with regard to any government or third-party investigations related to or arising out of suppliers alleged violation of this Code.

5. Suppliers shall promptly inform TCZ when any circumstance arises that causes them to operate in violation of this CoC. They should also agree on the corrective measures to be taken.

Reporting on Breaches

TCZ expects the suppliers to report in good faith any potential or actual violation of this CoC, laws, regulations or ethical or professional standards. Unless prohibited by law or regulation, TCZ expects the suppliers to raise concerns related to this CoC by making a protected and confidential disclosure to the Compliance Officer of TCZ. TCZ will review/investigate any concerns raised and discuss findings/escalate with the supplier as appropriate. If remediation is required, the supplier will devise and inform TCZ of their corrective actions and implementation plan to resolve the breach effectively and promptly. Reported violations will be treated with confidentiality as per TCZ's Whistle Blower Policy.

Declaration of Compliance

Suppliers will provide a one-time declaration confirming their understanding of TCZ's CoC and declare that they have not done anything during past years and will not resort to any activity that would amount to violation of the CoC. By this declaration, the Supplier is stating and agreeing to:

• Accept the values expressed by TCZ in the CoC

• Abide by TCZ's CoC and its subsequent versions during the tenure of their engagement with TCZ

• Adhere to the requirements and expectations set out in this CoC

• Provide complete and accurate information to facilitate any kind of due diligence efforts undertaken by TCZ

• Comply with the applicable laws and regulations in the country or countries where they operate

The format for the declaration is enclosed as Annexure -1 to this Code of Conduct.

CODE OF CONDUCT FOR SUPPLIERS

Procurement teams shall incorporate a Clause in all Purchase Orders (PO) on TCZ's Code of Conduct for Suppliers and the requirement of providing Declaration, enclosed as Annexure – 2

TCZ expects suppliers including their personnel (employees or sub-contractors) to support, embrace and enact the following Code of Conduct (CoC), apart from complying with all national and international regulations and laws that are applicable at any given time. TCZ encourages its suppliers to go beyond compliance and embrace the principles of sustainability. TCZ will support training and capacity-building programmes undertaken by suppliers, which promote awareness on sustainability and responsible business practices. TCZ shall incorporate regulatory compliance and ESG performance as key criteria based on requirements as stated in the Code during evaluation of the suppliers.

A. Promote Environmental Sustainability

All suppliers support a precautionary approach to environmental issues and undertake initiatives to promote better environmental responsibility. To this end, suppliers will

1. Reduce resource consumption and conserve natural resources:

1.1. Conduct all operations, sourcing, manufacture, distribution of products and the supply of services with the aim of protecting and preserving the environment.

1.2. Use natural resources rationally and work towards reducing resource consumption (water, energy, fuel, electricity, other materials etc.) and GHG emissions.

1.3. Identify environmental risks and set up appropriate prevention measures.

2. Prevent pollution and reduce waste generation

2.1. Maintain all required official permits, licenses and registrations.

2.2. Prevent contamination, limit waste generation, and avoid or minimise adverse impact on the environment and biodiversity by facilitating reusing and recycling material.

2.3. Clearly monitor the precautions to be taken during operations & maintenance in case of emission of heat, vibrations, radioactive rays, noise or similar.

2.4. Use only those chemicals and aerosols with very low or zero ODP (Ozone Depletion Potential), which are allowed as per the regulatory provisions.

2.5. Ensure that all the chemical and hazardous substances are accompanied by the manufacturer MSDS (Material Safety Data Sheet) during transport, storage, use and disposal, and that instructions mandated be strictly followed. No chemical and hazardous substance shall be received without a MSDS document. All the applicable regulatory guidelines shall be adhered strictly for the procurement, transport, storage, use and disposal of such harmful and hazardous chemicals.

2.6. Provide written instructions about handling and/or disposal of equipment and product during the life cycle if special handling is required.

B. Commitment to Human Rights, Labour and the Society

Suppliers shall support, respect and protect human and labour rights and make sure their organisation/entity is not complicit in any kind of abuses and/or violations. In this regard, the suppliers must:

1. Fair working conditions

1.1. Provide and maintain healthy and safe working conditions and welfare facilities for the employees in its establishment.

1.2. Ensure that that wages and benefits of their employees and subcontractors are fair and comply with applicable national and local laws as well as with contractual agreements.

1.3. Provide all workers, both permanent and non-permanent, with employment documents that are freely agreed to and which respect their legal and contractual rights

2. Health & Safety

Ensure that the activities of suppliers do not harm the health and safety of their own employees, suppliers and subcontractors, local communities/population, and finally the users of its products and services, which is in accordance with the TCZ's Mission Zero Harm in Health and Safety

3. Child Labour

3.1. No person below 18 years shall be employed or permitted to work in any occupation or process.

3.2. Zero tolerance for any kind of child labour in their establishments and supply chain.

4. Forced Labour

4.1. Under no circumstance shall suppliers use forced labour1 , whether in form of compulsory or trafficked labour, indentured labour, bonded labour or other forms, through direct or indirect use of force and/or intimidation.

4.2. Any kind of slavery, mental and physical coercion, human trafficking and debt bondage in the supply chain shall not be tolerated.

5. Wages and Working hours

5.1. Ensure that all applicable regulations related to wages, overtime compensation and other legally mandated benefits of their employees and subcontractors are fair and comply with applicable national and local laws as well as with contractual agreements.

5.2. Ensure that maximum working hours laid down in the respective country are adhered to.

6. Freedom of Association and Collective Bargaining

6.1. Recognise and respect the rights of workers to freedom of association and collective bargaining. Workers are not intimidated or harassed in the exercise of their right to join or refrain from joining any organisation.

6.2. Ensure that all employees can communicate with the management regarding working conditions.

7. Zero Tolerance towards Harassment

7.1. Treat all employees with respect and dignity and furthermore ensure that their own suppliers treat their employees in the same manner.

7.2. No tolerance towards unacceptable treatment of employees, such as physical punishment or torture, sexual harassment3 , or abuse, mental or physical coercion or verbal abuse, or the threat of any such treatment.

7.3 No worker should be subjected to any physical, sexual, psychological, or verbal harassment, abuse, or other form of intimidation.

8. Non-Discrimination and Equal opportunity

8.1. Commit, within the scope of prevailing laws and statutes, to oppose all forms of discrimination2 .

8.2. Maintain a work environment free from any form of discrimination and harassment.

8.3. Refrain from discrimination in hiring and employment practices on grounds of skin colour, age, caste, gender, race, ethnicity, nationality, socio-economic background, physical or mental disability, religion, sexual orientation, marital status, pregnancy, dependants, political or religious opinion, ideology, union membership and personal or social circumstances. Special attention must be paid to the rights of workers most vulnerable to discrimination.

TCZ is committed to seeking sustainable growth by integrating Environment, Social and Governance (ESG) principles with its businesses and when managing relationships with the value chain. TCZ upholds in letter and in spirit the United Nations Universal Declaration on Human Rights, the fundamental Human Rights Conventions of International Labour Organisation (ILO) and Sustainable Development Goals (SDGs). We follow the Global Reporting Initiative (GRI) standards, Integrated Reporting (IR) and Business Responsibility and Sustainability Reporting (BRSR) frameworks. TCZ encourages the suppliers who are a part of its value chain to carry out their activities responsibly while respecting all national and international laws that are applicable at any given time. Furthermore, TCZ expects its suppliers to introduce within their organisations suitable processes and management systems that support such compliance and drive continuous improvement. TCZ reserves the right to carry out due diligence, audit and inspection of its suppliers, who must cooperate in the process. TCZ's Code of Conduct for suppliers (hereinafter referred to as the "CoC") shall guide them to engage in ethical, responsible, and legal business practices in their operations and adhere to ESG standards. The CoC extends to all the suppliers who do business with TCZ, and includes sub-contractors, vendors, consultants, agents, business partners and others that work for or supply goods and services to TCZ, including their personnel (employees or sub-contractors). Suppliers shall include the Company/ Firm/ Proprietor or any of its Directors, Officers, Employees, Representatives, Agents, Affiliates or other Persons acting on behalf of the Company/ Firm/ Proprietor or any of its affiliates. Suppliers are required to provide a Declaration confirming their understanding of the TCZ Code of Conduct and declare that they have not done anything during past years and will not resort to any activity that would amount to violation of the CoC. By this declaration, the supplier is stating and agreeing to:

• Accept the values expressed by TCZ in the CoC

• Abide by TCZ's CoC and its subsequent versions during the tenure of their engagement with TCZ

• Adhere to the requirements and expectations set out in the CoC

• Provide complete and accurate information to facilitate any kind of due diligence efforts undertaken by TCZ

• Comply with the applicable laws and regulations in the country or countries where they operate

TCZ's Code of Conduct for Suppliers and format for the declaration are enclosed as "Annexure -1".
